EXPERIENCES

Mantegh Studio - Founder (Personal design firm)

Tehran-IRAN 01/ 2001- Jun 2009, - Toronto, ON 01/2015 - Present

I have been working in branding, marketing, advertising, and technology for over two decades. I established my Toronto-based branding firm “Mantegh Studio” in 2015. Mantegh Studio has worked with start-ups and small businesses such as NaturaSeal, YLG, AZ Roofing, Next art, Home Accent, ArtXpress and more in Canada.

BM Picture & Frame - Art Director

Toronto, ON 12/2018 - Present

- Manage the brand strategy, design, develop and maintain the company website (UI/ UX).
- Create and produce illustrations and wall arts in an efficient and timely manner.
- Incorporate traditional and digital art to create custom paintings and murals for clients.
- Produce in-house-based print and multi-media marketing materials.
- Lead the design-team and supervise several commercial wall-art projects and responsible for Art restoration projects.

NaturaSeal - Brand asset management - Graphic Designer ([Remote job - project base](#))

Toronto, ON 8/2015 - Present

- Study and analyzing the market, and collaborate closely with clients to thoroughly understand their market position, vision and identity, and design their brand strategy accordingly.
- Create and assemble the visual contents (photography and illustration) to produce mockup and contents for websites, printed marketing material, product design and displays.
- Create technical Information and datasheets for a variety of products.

TRIXMEDIA - Senior Graphic Designer- Regional manager ([Remote job](#))

Toronto, ON 12/2018 - 12/2020

- Performed marketing analysis to align material with the Canadian marketplace for various projects.
- Maintained close communication with clients to develop tailor-made branding strategies in line with their product vision.
- Created and assembled visual content for websites, print media, product design, packaging and displays.

Simply Imprints - Art Director - Production Manager

Toronto, ON 5/2013 -11/2018

- Performed as a liaison between customers and in-house project team to ensure alignment with the client's expectations and vision.
- Prepared all design layouts into prepress files for offset, web and digital printing.
- Submitted design ideas for projects to customers and managers.
- Led design and production team to complete projects within tight deadlines.
- Trained, managed, mentored and motivated the design team.

Picture Depot - Art Director - Senior Graphic Designer

Toronto, ON 04/2010 -12/2012

- Managed and established the art style of the studio for consistency and quality purposes.
- Supervised designers and artists to meet the market quality and needs.
- Researched market demand and lead the production strategy accordingly.
- Successfully designed, presented and sold artwork to various wall decor companies, such as Crate & Barrel, Bouclair, Canadian Tire, and more.
